

Amendment to 10/728976 dated 10 February 2004Page 3 of 3REMARKS

The inventor executed the Declaration and Power of Attorney for this application on December 5, 2003. As of that date, the application serial number for the priority application filed on October 6, 2003 was unassigned and this was indicated in the initial sentence in the Specification, in the Declaration and Power of Attorney, and in the initial Application Data Sheet. The priority application filed on October 6, 2003 has now been assigned application serial No. 60/508,308. The amendment amends the introductory sentence of the Specification to insert that serial number.

A Supplemental Application Data Sheet is also submitted herewith pursuant to 37 CFR § 1.76(c) to update the information concerning the priority application filed on October 6, 2003 which was provided in the initial Application Data Sheet and in the Declaration and Power of Attorney. The Supplemental Application Data Sheet includes the application serial number (60/508,308) for the priority application filed on October 6, 2003. This application serial number appears in the table under the heading "Domestic Priority Information" at page 4 of Supplemental Application Data Sheet, with underlining. The Supplemental Application Data Sheet also includes the application number and filing date for the present application, as shown under the heading "Application Information" on page 1 of the Supplemental Application Data Sheet, with underlining.

The applicant looks forward to receiving favorable action on this application.

Respectfully submitted,
